

**REMARKS****Claim Amendments**

Independent claim 27 has been amended to correct a clerical error. No new matter has been added. Further, to maintain consistency, "plurality" was deleted in front of "flexible shield layers" wherein "flexible shield layers" was referenced in the third element of claim 27. The Applicants still intend that there are a plurality of "flexible shield layers," however, "plurality" may be deemed to be superfluous information when references are made.

**Conclusion**

In summary, Applicants now therefore respectfully submit that the application presently stands in condition for allowance.

The Commissioner is hereby authorized to charge any fee, which may be required, or credit any overpayment, to Deposit Account No. 14-0116.

Respectfully submitted,
